

**Mayborn
eclipse
10,000**
2023 - 2024

Help the Mayborn Museum bring the eclipse experience to 10,000 Central Texas students! Mayborn Eclipse 10,000 is a free teacher training complete with resources and supplies delivered to your school.

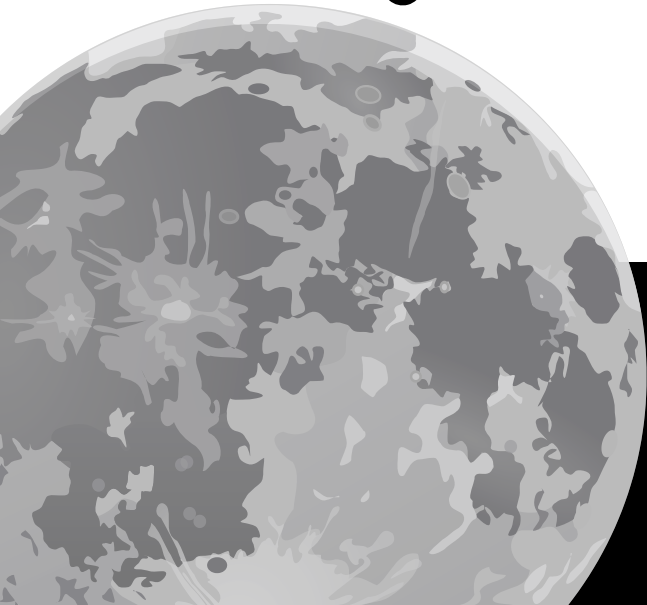

FREE PROGRAM!

DID YOU KNOW?

This coming school year, Central Texas will get to experience TWO SOLAR ECLIPSES! We will see 89% coverage in October 2023. Next we will experience a rare Total Solar Eclipse with 100% coverage in April 2024. You don't want your students to miss this!

Register via the QR Code to have the Mayborn Museum visit your school to help you prepare for TWO great Solar Eclipse experiences at your school! Register soon. Space is limited!

Important Dates:

Annular Eclipse October 14, 2023
Total Solar Eclipse April 8, 2024

Program Details:

- Includes background information, techniques, and tips for teachers to host and facilitate day-of-eclipse programming.
- Training is a 1-hour presentation from Alan Small, STEM Programs Coordinator at the Mayborn Museum.
- The training will be held on site at your school during a staff meeting or professional development day.

Resource Kits

Each school will receive resources to prepare and facilitate on both eclipse days. This resource kit for your school contains:

- Solar eclipse viewing glasses for each student at your campus.
- Eclipse activity guides and extra facilitation guides.
- Passes to the Mayborn for each of your students to view our exhibits
