

## Sock Puppet Friends!

Duration: 15 min – 20 min

Suggested Age: 4-12

### Supplies

- A sock of any color! Tip: Try using those spare socks you have laying around after the dryer ate their match.
- Scissors
- Markers
- Glue
- Cardboard or Cardstock for mouth
- Pipe cleaners
- Ribbon
- Yarn
- Pom Poms
- Craft Foam
- Any other craft materials you have on hand

### Steps

- Collect materials!
- Determine what you want your friend to look like... or make it up as you go!
- Cut out an oval of cardboard for the mouth and fold it in half.
- Turn the sock inside out and glue the mouth to the toe portion. Let glue dry.
- Turn sock right side out and decorate your new friend!
- Tip: Try different colors, patterns, and materials to make a unique friend!

### Explore Further

- What other household items can become new friends? Maybe a rock, spoon, or plant! Try seeing what other things you can turn into new buddies!
- Try putting on a play with your new friend! Make backgrounds, props, and a script and show it to a friend or a grown-up when you're done!
